

AUTOMOBUILD

Join the GenParenting Bloggers at Automobuild's Summer Workshops in Los Gatos!

For Infants, Preschoolers, and Elementary School Children

Automobuild has partnered with GenParenting educational leaders to support parents' STEAM and Common Core Standards play with their children. Each \$40 workshop registration includes the following incredible services:

- » \$50 worth of FREE educational toys and books for each registered child
- » Guidance from educational experts on how to use academic play strategies to increase your children's cognitive and critical thinking skills
- » A one-hour play date with Mary Ann Burke, Ed.D., an accredited Parent Educator with over 30 years of experience with STEAM and Common Core State Standards expertise
- » FREE Q & A with Mary Ann after class
- » Participation in the GenParenting.com Summer Reading Series starting on July 3, 2018

The summer schedule follows:

Transportation and Construction Play on **July 19 from 10:30 a.m. until 11:30 a.m.**

Preschoolers and early elementary children will learn how to compare the use of various construction equipment, build vehicles, and race cars.

Nature Exploration Play on **August 2 from 10:30 a.m. until 11:30 a.m.**

Preschoolers and early elementary children will learn how a caterpillar becomes a butterfly, observe insects and bugs in the garden, and collect and compare various insects.

Get Ready for School with Siblings, Twins, and Multiples on **August 9 from 10:30 a.m. until 11:30 a.m.**

Infants and preschoolers can learn how to get ready for school by reading and playing imaginative games with siblings, create sticker stories, build with blocks, and play with Calico Critters.

Each workshop is limited to **20 participants**. **Phone Automobuild at 408-402-3818** to register immediately for various workshops. All workshops will meet at the Automobuild Store located at **100 B North Santa Cruz Avenue in Los Gatos**.
